ARC-ZONE.COM ADDS SAFETY APPAREL TO WEB STORE

Carlsbad, Calif., April 15, 2008—Arc-Zone.com® Inc., the first internet-only company to sell welding and cutting accessories online, has now added welding safety apparel to their product mix.

Arc-Zone is currently featuring Revco Industries high quality, high-performance protective wear. Company president Jim Watson is excited about the new apparel. "We've finally found a line of clothing that not only offers protection, but looks good."

In addition to welding gloves, fire resistant clothing, and leather welding gear, Arc-Zone.com's offerings include BSX-- Black Stallion® Xtreme Gear. This premium brand from Revco features eye-catching black and red flame designs as well as improvements in fit and protection.

Arc-Zone.com is also carrying the newly launched Angelfire Gear® for women. The tailored sizing is constructed to better fit a woman's body and the chocolate brown color is appealing. The apparel also has all the improvements in fit and function that are found in the BSX line.

Founded in June 1998, Arc-Zone delivers proprietary, brand name and OEM replacement parts and accessories for GMAW, GTAW and Plasma Arc Welding and Cutting applications to customers worldwide.
